New Carts and Regular pick up Poly Cart Service for Garbage Guidelines

Here is your New Cart and a few guidelines for placement. We will be using the New Automated Truck system for your curbside garbage service.

Poly carts should be placed with the lid opening facing the street and the handle facing the house. Please place within 2 feet from the curb so the automated arm can pick them up.

Carts must be placed at the curb or on the turnout of your driveway before 6:00 am on your pick up day or the night before. (Opposite side as your mailbox)

Carts should not be placed within 5 feet of mailboxes, fences, parked cars or other objects.

Only your poly carts will be picked up on your regular trash pick up. No other trash cans please.

Items cannot be placed on top of the cart, as any items placed on top the cart will fall to the ground when the automated arm picks them up.

Try to get everything in the cart so the automated arm can pick it up. **Please do not overfill your cart so that the lid will close properly. Bagging your trash before you put it in your cart will help prevent blowing trash when it is dumped.**

If you need an additional cart, they are available and may be ordered by contacting the City of Chickasha at 222-6020.

The trucks will run one side of the street at a time. If they pass your house, it may be just a little while before they come back to get the other side. **"They will be back." Routes are run in a figure "8".**

If you have multiple carts, put them three to four feet apart so the automated arms can get around each of them.

The Chickasha City Hall Staff and Waste Connections will be available to answer any questions you have concerning your new trash service. **Please call 1-877-785-2605. If you need additional carts or containers contact City Hall at 405-222-6020.**

Thank you for allowing us to be of service,

The Chickasha City Hall and Waste Connections of Chickasha.

Please do not set your "NEW CART" out until your 1st Poly Cart pick-up day in September displayed on the service map on the back of this flyer. Please leave your old cans and can holders you want disposed of out on your Bulky Waste Day for removal.
