

HWY 81 SIGNAL RELOCATION & TURN LANE EXPANSION [FALL 2016]

SCOPE OF PROJECT:

Westbound Exit from H.E. Bailey Turnpike to intersection of 4th and Grand Ave. This project will involve changing the signalization as well as adding an additional turn lane from 4th Street onto Grand Ave. from the south as well as a turn lane into the new Chisholm Trail Shoppes development.

PHASE 1

[Estimated start date 8.17.16]

Southbound through traffic will be limited to one lane. Expect longer travel times. Left turns and right turns at intersections will be permitted, but space to make turns will be less than normal.

Work will take place on the outside portions of the pavement.

Longer travel times should be expected.

PHASE II

[Estimated start date 11/26/16]

At least two lanes of traffic will be permitted both southbound and northbound during this phase.

Work will take place to remove part of the existing off-ramp at the H.E. Bailey Turnpike.

Longer travel times should be expected.

[CONTINUED ON BACK]

PHASE III

[Estimated start date 12/3/16]

Southbound through traffic will be limited to one lane. Expect longer travel times. Left turns and right turns at intersections will be permitted, but space to make turns will be less than normal.

Work will take place to modify the center median and to build or modify left turn lanes.

Longer travel times should be expected.

HOW WILL TRAFFIC BE DIRECTED?

Signage throughout the area.

CONSTRUCTION DEADLINE

This project has been determined to be approx. 180 days. However, there is a possibility it could be completed early..

COMPLETION PENALTY

The contractor will start incurring fines at 180 days of \$500/day.

FESTIVAL OF LIGHT

Traffic signals will be operational during Festival of Light.
