Beyond the Book

September 9th, 12:00

“Murder in Time”
by Julie McElwain

Beautiful and brilliant, Kendra Donovan is a rising star at the FBI. Yet her path to professional success hits a speed bump during a disastrous raid where half her team is murdered, a mole in the FBI is uncovered and she herself is severely wounded. As soon as she recovers, she goes rogue and travels to England to assassinate the man responsible for the deaths of her teammates.

While fleeing from an unexpected assassin herself, Kendra escapes into a stairwell that promises sanctuary but when she stumbles out again, she is in the same place - Aldrich Castle - but in a different time: 1815, to be exact.

Mistaken for a lady's maid hired to help with weekend guests, Kendra is forced to quickly adapt to the time period until she can figure out how she got there; and, more importantly, how to get back home. However, after the body of a young girl is found on the extensive grounds of the county estate, she starts to feel there's some purpose to her bizarre circumstances. Stripped of her twenty-first century tools, Kendra must use her wits alone in order to unmask a cunning madman.

Book Club

Hellsmouth, an indomitable Thoroughbred with the blood of Triple Crown winners in her veins, runs for the glory of the Forge family, one of Kentucky's oldest and most powerful dynasties. Henry Forge has partnered with his daughter, Henrietta, in an endeavor of raw obsession: to breed the next superhorse, the next Secretariat. But when Allmon Shaughnessy, an ambitious young black man, comes to work on their farm, the violence of the Forges' history and the exigencies of appetite are brought starkly into view. Entangled in fear, prejudice, and lust, the three tether their personal dreams of glory to the speed and grace of Hellsmouth.

A spiraling tale of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in shadow by the enduring legacy of slavery. C. E. Morgan, who received a 2016 Windham-Campbell Prize for Fiction, has given life to a tale as mythic and fraught as the South itself—a moral epic for our time.

“The Sport of Kings” by CE Morgan
